Editorial Notes

¹ The year appears to be added in a different hand.

² This line at the bottom of the page is added in pencil in Richard Bull's hand.

³ This may refer to Sir George Yonge, fifth baronet (1732–1812), politician and colonial governor. There is nothing to suggest that he had an interest in pictures in the biographies given in *ODNB* and *Hist P*, however.

⁴ The year is added in a different hand.
